Lumen Christi is a Catholic School, which means your son or daughter will be receiving an education that is grounded in the Catholic tradition. Why are you interested in having your son or daughter receive a Catholic education?

Parent Response:

Response of Potential Student:

At Lumen Christi, building a culture that is built on our core values is extremely important. Our core values are:
- Live Faith
- Achieve Excellence
- Develop Character
- Be Warm and Welcoming
- Promote Teamwork

How will you (the student) help to build a culture that promotes and embodies these core values?

Please send to the Director of Enrollment Management, Lucian Leone @ lleone@myjacs.org an unofficial transcript or latest/most current classes and grades. A Powerschool screenprint will suffice to start the admissions process.

Note: Lumen Christi generally accepts new students only through the first semester of junior year. Exceptions can be made for families who are a part of a Catholic parish or who have recently moved into the Lumen Christi service region.
