

T.R.I.P.

Tuition Reduction Incentive Program

What is it?

T.R.I.P. is a way for you to reduce your tuition bill by purchasing gift certificates – at no additional cost – for goods and services that you use every day. Physical cards may be purchased as well as e-cards that can be sent to you immediately through the RaiseRight app.

How does it work?

T.R.I.P. purchases gift certificates from a wide variety of stores at a discount and then forwards a percent of the discount as a credit to your tuition account. Each time you place an order: your credit for that order is determined. Credits will accumulate, and once per year the credits are applied to your tuition bill.

Who can participate?

Anyone can participate in T.R.I.P. and help reduce a family's tuition! Grandparents, aunts, uncles, teachers, and friends can enroll in T.R.I.P. and designate their credits to go to a specific family's tuition account at Lumen Christi Catholic School or Queen of the Miraculous Medal School. You may also choose to designate your credits to a Lumen Christi T.R.I.P. Scholarship fund, which assists many families.

Families who are planning to eventually enroll their children at Lumen Christi can also participate in T.R.I.P. by "banking" credits. The family's T.R.I.P. credits will be held until their child begins their seventh-grade year at Lumen Christi.

How do I enroll?

Enrolling in T.R.I.P. is easy! You may call or visit the T.R.I.P. office to enroll, or we can send you an email with an enrollment link. The T.R.I.P. program runs year round. The schedule may vary over the holidays and school breaks.

How do I purchase T.R.I.P. certificates?

To purchase certificates, complete all of the information at the top of the order form. Select the number of certificates you need from each participating business and calculate the total dollar amount. Include a check payable to LC TRIP. Orders turned in by 9:00 am Tuesday morning will be available for pick up the following week. Orders can be placed online through Raise Right using a bank account (for a 29 cent fee), or a credit or debit card (for a small processing fee).

How are T.R.I.P. credits applied to my tuition account?

Accounts are credited once a year – at the beginning of May. These credits will be applied to the upcoming school year's tuition. If you have been "banking" credits for a middle school student, credits are applied before the beginning of the 7th grade year. During your child's senior year, you may continue in the T.R.I.P. program and any tuition credits earned may be applied to your balance owed at the end of April.
