

Online Dual Enrollment Courses for Spring 2026

Dual enrollment courses are offered based on availability after traditional undergraduate registration is completed. Questions regarding course availability can be directed to Heather Greer at heather.greer@arbor.edu or by calling 517.750.6697. A dual enrolling student must be registered at least two weeks prior to the start date of any online course to ensure adequate time for student account activation and the purchasing and receipt of required books.
