

Summer Tennis at Lumen Christi

Who

Anyone with any connection with any Lumen Christi tennis program – students (including incoming freshmen), parents (and grandparents), teachers, alumni, coaches, and administrators. All levels of skill and experience are welcome!

What

A fun evening of tennis – followed by food and a few laughs. There's no sign-up, but we'd appreciate it if you'd let us know for planning purposes. There will probably be a few details added prior to the first outing, so please let Steve or Tom know if you would be interested! Thanks!

When

Sunday evenings starting June 10th – playing from 5:00 to 7:00 p.m. Ending prior to August 8th when the boys' pre-season starts.

Where

At the Lumen Christi tennis courts.

Why

For fun. Tennis is a game and it is supposed to be fun. Beyond that, we would like to increase the school spirit relating to both the girls' and boys' tennis teams through cooperative competitiveness.
